All actions are valid and may continue (No *Mate*) as long as either contestant has some part of their body touching the contest area.

Exceptions:

- a. When a throw is started with only one contestant in contact with the contest area, but during the action, both contestants move outside the contest area, the action may be considered for point scoring purposes if the throwing action continues uninterrupted.

Similarly, any immediate counter technique by the player who was not in contact with the contest area when the throwing action started may be considered for point scoring purposes if the action continues uninterrupted.

- b. In *Newaza* the action is valid and may continue outside of the contest area as long as *Osaekomi* was called inside.
- c. *Osaekomi* outside the contest area if the throwing action is finished outside the competition area and immediately one of the players applies *Osaekomi*, *Shime-waza* or *Kansetsu-waza*, this technique shall be valid. If during the *Ne-waza*, *Uke* takes over the control with one of these nominated techniques in a continuous succession, it shall also be valid.

The *Kansetsu-waza* and *Shime-waza* initiated inside the contest area and recognized as being effective to the opponent can be maintained even if the contestants are outside the contest area.

APPENDIX Article 9 - Location (Valid Areas)

During that time the contestant who receives the *Osaekomi* (*Uke*), can counterattack by applying *Shime-waza* or *Kansetsu-waza*. In case of getting a give up or incapacity of the contestant making the *Osaekomi* (*Tori*), the one who's under *Osaekomi* (*Uke*) will win the contest by *Ippon*.

- e. After finishing the bowing ceremony the components of the two teams will come out through the same place which they entered, waiting, on the outer edge centred of the contest area, the contestants of each team must make the first contest. In each contest they will perform the same procedure of bowing that in individual competition.

The IJF Jury will interfere only when there is a mistake that needs to be rectified.

The intervention and any change to the decisions of the Referees by the IJF Jury will be made only in exceptional circumstances. The IJF Jury will interfere only when they consider it to be necessary.

 - a. When a contestant, after obtaining some result by a throwing technique changes without interruption into *Newaza* and takes the offensive.
 - b. When one of the contestants falls to the ground, following the unsuccessful application of a throwing technique the other may take advantage of his opponent's position to take him to the ground.
 - c. When one contestant obtains some considerable effect by applying a *Shime-waza* or *Kansetsu-waza* in the standing position and then changes without interruption to *Newaza*.
 - d. When one contestant takes his opponent down into *Newaza* by the particularly skilful application of a movement which does not qualify as a throwing technique.

3. Exceptions.
 - a. When one contestant pulls his opponent down into *Newaza* not in accordance with Article 16 paragraph 2 and his opponent does not take advantage of this to continue into *Newaza*, the Referee shall announce *Mate*, and penalise with *Shido* the contestant who has infringed Article 27.7. If the opponent takes advantage of the action of *Tori*, the *Newaza* work may continue.

ARTICLE 17 - Application of *Mate*

1. General.

The Referee shall announce *Mate* in order to stop the contest temporarily in the situations covered by this article, the contestants must then quickly return to their starting positions as defined in paragraph 3 of Article 1 of these Rules. To recommence the contest, the Referee shall announce *Hajime*:

Except when a *Mate* must be given for a *Shido* to the contestant deserving it, contestants will remain in place, without having to return to the starting position (*Mate - Shido - Hajime*) unless when a *Shido* is given for leaving the contest area.

The Referee having announced *Mate*, must take care to maintain the contestants within his view, in case they did not hear the announcement and continue competing or if any other incident arises.

2. Situations where the Referee shall announce *Mate*.

- a. When both contestants go completely outside the contest area.
- b. When one or both of the contestants perform one of the prohibited acts listed in Article 27 of these Rules.
- c. When one or both of the contestants are injured or taken ill. Should any of the situations of article 29 occur, the Referee, after announcing *Mate*, shall call the doctor to perform the necessary medical attention according to said article, either upon the request of the contestant, or directly depending on the seriousness of the injury, allowing the contestant(s), in order to facilitate performance, to adopt any position other than the starting position.
- d. When it is necessary for one or both of the contestants to adjust their *Judogi*.
- e. When during *Newaza* there is no evident progress.
- f. When one contestant regains a standing or semi-standing position from *Newaza* bearing his opponent on his back, with the hands completely clear of the *Tatami*, indicating a loss of control by the opponent.
- g. When one contestant in, or from *Newaza* regains a standing position and lifts the opponent, who is lying on the back with one (1) or both legs around any part of the standing contestant, clear of the *Tatami*.
- h. When a contestant performs or attempts to perform *Kansetsu-waza* or *Shime-waza* from the standing position and the result is not sufficiently apparent.

- j. When in any other case that the Referee deems it necessary to do so.

3. Situations where the Referee shall not announce *Mate*.

- a. The Referee should not call *Mate* to stop the contestant(s) going outside the contest area, unless the situation is considered dangerous.
- b. The Referee should not announce *Mate* when a contestant, who has escaped from *Osaekomi-waza*, *Shime-waza* or *Kansetsu-waza*, appears in need of or calls for a rest.

4. - Exceptional situations.

- a. Should the Referee call *Mate* in error during *Newaza* and the contestants therefore separate, the Referee may, if possible, and in accordance with the "majority of three" rule, re-position the

contestants into as close to their original position as possible and restart the contest, if so doing will rectify an injustice to one of the contestants.

ARTICLE 18 - Sono-mama

1. In any case where the Referee wishes to temporarily stop the contest without causing a change in their positions, he shall announce *Sono-mama*, making the gesture under Article 8.9 while he must ensure that there is no change in the position or grip of either contestant.

2. *Sono-mama* can only be applied in situations where contestants are working in *Newaza*.

3. Situations:

a. To award a penalty.

If the contestant who is awarded the penalty is in an unfavourable position, there is no *Sono-mama*: the penalty is awarded directly.

b. Medical assistance.

If during *Newaza* a contestant shows signs of injury and according to Article 29 may be assisted by the doctor, the Referee may announce *Sono-mama* and separate the contestants if necessary.

Subsequently will place back the contestants to the positions they held before the announcement of *Sono-mama* being the Referee overseen by the table Referees according to the 'majority of three' rule.

4. To recommence the contest, the Referee shall announce *Yoshi* making the gesture under Article 8.10.

ARTICLE 19 - End of the Contest

1. The Referee shall announce *Sore-made* to indicate the end of contest in the cases covered in this article. After this announce, the Referee shall always keep the contestants within his view, in case they do not hear his announcement and continue competing.

The Referee shall direct the contestants to adjust their *Judogis*, if necessary, prior to indicating the result.

After the Referee has indicated the result of the contest making the gesture under Article 8, the contestants shall take one step backwards, make the bow and leave the contest area by the sides of the mat, particularly around the security area.

When the athletes are leaving the mat they must be wearing their *Judogi* in the proper way and must not remove any part of the *Judogi* or the belt before leaving the FOP (Field Of Play).

Should the Referee award the victory to the wrong contestant in error, the two table Referees must ensure that he changes this erroneous decision before the Referee leave the competition area, at which the decision becomes firm without possible modification. If a member of the Refereeing Commission would notice the error may call them to indicate it, but shall be, as prescribed by the following paragraph, the 3 Referees to decide the most appropriate.

All actions and decisions taken in accordance with the "majority of three" rule by the Referees shall be final and without appeal.

2. Situations of *Sore-made*.

- a. When one contestant scores *Ippon* or *Waza-ari-awasete-Ippon* (Articles 20 and 21).
- b. In the case of *Kiken-gachi* (Article 28).
- c. In the case of *Hansoku-make* (Article 27).
- d. When one contestant cannot continue due to injury (Article 29).
- e. When the time allotted for the contest has expired.

3. The Referee shall award the contest as follows:

- a. Where one contestant has scored *Ippon* or equivalent, he shall be declared the winner.
- b. Where there has been no score of *Ippon* or equivalent, the winner shall be declared on the basis of: one *Waza-ari* prevails over any number of *Yukos*.
- c. Where there are no recorded scores or the scores are exactly the same under each point (*Waza-ari*, *Yuko*), the one with less *Shidos* wins.
- d. Otherwise the contest shall be decided by the "Golden Score" contest in both individual and team championships.

4. "Golden Score" Contest.

When the time allotted for the contest ends giving the circumstances of paragraph 3.c. of this article, the Referee shall announce "*Sore-made*" to end the contest temporarily and the contestants shall return to their starting positions.

There is no time limit for Golden Score but the scoreboard records from the previous period will be retained.

The Referee shall announce "*Hajime*" to restart the contest. There shall be no rest period between the end of the original contest and the start of the "**Golden Score**" contest.

The contest ends as soon as a contestant is being penalized by *Shido* (loser) or the opponent achieves a technical score (winner), the Referee will announce "*Sore-made*".

The first receiving a *Shido* loses or the first technical score will win.

In the "Golden Score" contest, when one contestant is being held and "*Osaekomi*" has been announced, the Referee shall allow the hold down to continue for the 20 seconds (*Ippon*), until *Toketa* or *Mate*, or until *Shime-waza/Kansetsu-waza* is applied by either contestant with immediate result.

In this case, the contestant shall win by the points scored.

If during the "Golden Score" contest a direct *Hansoku-make* is given, the result for the penalised player will incur the same consequences as during a normal contest.

In the event that the Referee decides to penalise one contestant, he must first consult with the table Referees and make the decision based on the "majority of three rule".

5. Special situations on the "Golden Score"

- a. Should only one contestant exercise his right to fight the "Golden Score" contest, and the other contestant declines, the contestant who wishes to compete shall be declared the winner by "*Kiken-gachi*".
- b. In the case where both contestants score *Ippon* simultaneously during the time allotted to the

first contest, the contest shall be decided by the "Golden Score" contest. In the case of simultaneous *Ippon* during the "Golden Score" contest the Referee shall announce *Mate*, continuing the contest without taking into account these actions for scoring purposes.

- c. In the case where both contestants are penalised with accumulated *Hansoku-make* (result from successive *Shidos*) simultaneously, the contest shall be decided by the "Golden Score" contest.
- d. In the case where both contestants are penalised with direct *Hansoku-make* simultaneously, both contestants shall be excluded from the Tournament/Championship.

6. CARE system

The CARE system as defined in these Rules and in the SOR, will fall under the exclusive competence of the Refereeing Commission, and no one may interfere or define its operation outside the rules here listed or, in what was not covered, by the decision made by the Refereeing Commission in this regard. (SOR - Available on the IJF website – <http://www.intjudo.eu/DOCUMENTS8> - Under *Sport Commission* - SOR - Final 2013.)

Provides for the following situations of use:

- a. The Member of the Commission will intervene, stopping the contest and informing all the Referees, in the situations defined below.
- b. The member of the Commission may give a positive assessment to all Referees (without stopping the contest), when in his opinion, and after viewing both the live action followed by the CARE system replay, he is in agreement with all Referees.

Mandatory reviewing using the CARE system in support of the decision on the mat will be done under the following circumstances:

- a. Any decision involving the end of the contest, during the contest time as well as in the period of "Golden Score".
- b. *Kaeshi* actions where there may be difficulty in the assessment of which contestant had the final control of the action and thereby implying the end of the contest.

Viewing of the CARE system and subsequent communication with the Referees as regulated in this article shall be up to the discretion of the Referee Commission member that oversees the mat. There shall be no unauthorised use or request of use of the CARE system other than by the Referees Commission.

BJA Commentary

In BJA competitions, in fairness to both players during a contest, any dispute with a refereeing decision must be brought to the table referees' (judges') attention immediately and if not satisfied with the outcome, to the table officials within 15 seconds of that disputed decision.

Only the player's coach (who is accredited to coach mat-side) may make the appeal.

Any score or penalty that did not end the contest cannot be contested after the contest has finished - regardless of whether or not the Referee has left the competition area.

Any score or penalty that ended the contest may be contested after the contest has finished - provided the Referee has not left the competition area.

The Referee in Charge may be called by the table officials if the coach is not satisfied with the outcome.

BJA Team Competitions

During a BJA Team Competition, there are two methods of determining the winning team, the method used should be clearly stated on the info/event entry form.

Using Hikiwake

If the scores are level at the end of an individual contest, Hikiwake is given. This is recorded as a no points to either team

The winning team is the team with the most number of individual contest wins. Should be an equal number of individual contest wins then the team with the highest number of points is the winning team.

If the number of points is also equal and if the match is in the pool stage of the event the team match will be declared a draw.

However, if the number points are also equal and the match is in the knockout or repechage stage a result is needed to decide final placings of a pool, then at that time (not before), all drawn contest will be refought starting immediately in a Golden Score situation. The winner is awarded one point by way of decision.

In the event that a team match ends in a draw without a drawn contest and a winner is required, the fighting positions (including any fusen gachi positions but excluding any player position in which neither team had a player) are allocated numbers and the numbers place in a container. The number drawn out will indicate the competitors who shall fight off to decide the winning team.

The contest is completed until a winner is decided, using Golden Score if necessary, as at an individual competition.

Without using Hikiwake

All individual contests are completed until a winner is decided, using Golden Score if necessary, as at an individual competition.

BJA Dan Gradings

If the scores are level at the end of a contest, Hikiwake is given.

ARTICLE 20 - *Ippon*

1. - The Referee shall announce *Ippon* when in his opinion the applied technique corresponds to the following criteria:

- a. When a contestant with control throws the other contestant with a real impact on his back with considerable force and speed. When the fall is rolled without real impact, it is not possible to consider it *Ippon*.
- b. All situations in which one of the contestants deliberately makes a "bridge" (head and one foot or both feet in contact with the *Tatami*) after having been thrown will be considered *Ippon*. This decision is taken for the safety of the contestants so they do not try to escape from the technique and endanger their cervical spine.
- c. Also an attempt of a bridge (*arching the body*) should be counted as a "bridge".
- d. When a contestant holds with *Osaekomi-waza* the other contestant, who is unable to get away for 20 seconds after the announcement of *Osaekomi*.
- e. When a contestant gives up by tapping twice (2) or more with his hand or foot or says *Maitta* (I give up!) generally as a result of *Osaekomiwaza*, *Shime-waza* or *Kansetsu-waza*.
- f. When a contestant is incapacitated by the effect of a *Shime-waza* or *Kansetsu-waza*.

2. - **Equivalence.**

Should one contestant be penalised with *Hansoku-make*, the other contestant shall immediately be declared the winner with a score equivalent to *Ippon*.

3. - Special situations.

- a. Simultaneous techniques. When both contestants fall to the *Tatami* after what appears to be simultaneous attacks and the Referees cannot decide which technique dominated there should be no score awarded.
- b. In the case where both contestants score simultaneous *Ippon* the Referee will act as regulated in article 19 paragraph 5.b.

ARTICLE 21 - Waza-ari-awasete-Ippon

Should one contestant gain a second *Waza-ari* in the contest, (see Article 23) the Referee shall announce *Waza-ari-awasete-Ippon*.

ARTICLE 22 - Without Contents.**ARTICLE 23 - Waza-ari**

The Referee shall announce *Waza-ari* when in his opinion the applied technique corresponds to the following criteria:

- a) When a contestant with control throws the other contestant, but the technique is partially lacking in one (1) of the other three (3) elements necessary for *Ippon* (see Article 20 (a)).
- b) When a contestant holds with *Osaekomi-waza* the other contestant who is unable to get away for 15 seconds or more, but less than 20 seconds.

ARTICLE 24 - Yuko

The Referee shall announce *Yuko* when in his opinion the applied technique corresponds to the following criteria:

- a) When a contestant with control throws the other contestant, but the technique is partially lacking in two (2) of the other three (3) elements necessary for *Ippon*.

When a contestant throws his opponent, with control, and the opponent falls on the side of the upper body it should be *Yuko*.

Examples:

- 1) Partially lacking in the element of "impact on the back" and is also partially lacking in one of the other two (2) elements of "speed" or "force".
 - 2) Impact on the back but partially lacking in both of the other two (2) elements of "speed" and "force".
- b) When a contestant holds with *Osaekomi-waza* the other contestant who is unable to get away for 10 seconds or more but less than 15 seconds.

APPENDIX Article 24 - Yuko

Regardless of how many *Yukos* are announced, no amount will be considered equal to a *Waza-ari*. The total number announced will be recorded.

ARTICLE 25 - Without Contents.

ARTICLE 26 - Osaekomi-waza

The Referee shall announce *Osaekomi* when in his opinion the applied technique corresponds with the following criteria:

- a) The contestant being held must be controlled by his opponent and must have his back, both shoulders or one shoulder in contact with the *Tatami*.
- b) The control can be made from the side, from the rear or from on top.
- c) The contestant applying the hold must not have his leg(s) or body controlled by his opponent's legs.
- d) At least one contestant must have some part of his body touching the contest area.
- e) The contestant applying *Osaekomi* must have his body in either the *Kesa*, the *Shiho* or *Ura* position, i.e. similar to the techniques *Kesa-gatame*, *Kami-shiho-gatame* or *Ura-Gatame*.

APPENDIX Article 26 - Osaekomi-waza

Should a contestant who is controlling his opponent with an *Osaekomi-waza*, changed without losing control, into another *Osaekomi-waza*, the *Osaekomi* time will continue until the announcement of *Ippon* (or equivalence), *Toketa* or *Mate*.

When *Osaekomi* is being applied, if the contestant who is in an advantageous position commits an infringement meriting a penalty, the Referee shall announce *Mate*, return the contestants to their starting positions, award the penalty (and any score from the *Osaekomi*), then recommence the contest by announcing *Hajime*.

When *Osaekomi* is being applied, if the contestant who is in a disadvantageous position commits an infringement meriting a penalty, the Referee shall announce *Sono-mama*, award the penalty, then recommence the contest by touching both contestants and announcing *Yoshi*. However, should the penalty to be awarded be *Hansoku-make*, the Referee shall, after announcing *Sono-mama*, consult with the other Referees, announce *Mate* to return the contestants to their starting positions, then award *Hansoku-make* and end the contest by announcing *Sore-made*.

If both table Referees agree that an *Osaekomi* exists, but the central Referee has not announced *Osaekomi*, they shall inform the central Referee and by the "majority of three" rule, the Referee shall announce *Osaekomi* immediately.

Toketa should be announced if, during *Osaekomi*, the contestant being held succeeds in "scissoring" the other contestant's leg, either from above or from below the leg.

In situations where the back of the contestant being held is no longer in contact with the *Tatami*, (e.g. "bridging"), but the contestant applying the hold maintains control, the *Osaekomi* shall continue.

BJA Commentary:

If, in a "Golden Score" contest, Tori has maintained an *Osaekomi* for 10 seconds or more and then commits a minor infringement, the Referee shall announce *Mate* and award the score merited by the length of the *Osaekomi*. He shall then indicate Tori as the winner of the contest.

If the Referee and table Referees consider that Tori's infringement merits *Hansoku-make*, then they may award the contest to the other player.

Osaekomi will continue to be valid (having already been called) whilst *shime-waza* or *kansetsu-waza* is being applied, providing the criteria for *Osaekomi* as defined in article 26 is maintained.

ARTICLE 27 - Prohibited Acts and Penalties

The Prohibited Acts are divided into '**Slight**' infringements (*Shido*) and '**Grave**' infringements (*Hansoku-make*).

SLIGHT INFRINGEMENTS: Will receive a penalty of *Shido*.

GRAVE INFRINGEMENTS: Will receive a penalty of direct *Hansoku-make*.

The Referee shall award a penalty of *Shido* or *Hansoku-make* depending on the seriousness of the infringement.

During the contest there will be three *Shidos*, and the fourth will be *Hansoku-make* (3 warnings and then disqualification). *Shidos* do not give points to the other contestant, only technical scores can give points on the scoreboard. At the end of the contest, if scoring is equal on the scoreboard, the one with less *Shidos* wins. If the contest continues to Golden Score, the first receiving a *Shido* loses, or the first technical score will win.

Shido will be given to the contestant deserving it, in place, without having both contestants return to the formal start position (*Mate - Shido - Hajime*) except when a *Shido* is given for leaving the contest area.

The awarding of a direct *Hansoku-make* means the contestant is disqualified for the contest and excluded from the Competition in certain serious cases, and the contest ends according to the Article 19 (c). (See Appendix and BJA Commentary at the end of this Article).

Whenever a Referee awards a penalty, he should demonstrate with a simple gesture the reason for the penalty.

A penalty can be awarded after the announcement of *Sore-made* for any prohibited act done during the time allotted for the contest or, in some exceptional situations, for serious acts done after the signal to end the contest, as long as the decision has not been given.

SHIDO (Slight Infringements Group)

(a) Shido is given to any contestant who has committed a slight infringement:

1. To intentionally avoid taking *Kumikata* in order to prevent action in the contest.

When a contestant is breaking three times in the period of *Kumi-Kata* the grip of his opponent, the Referee should penalize this contestant with *Shido*.

2. To adopt in a standing position, after *Kumikata*, an excessively defensive posture. (Generally more than 5 seconds).
3. To make an action designed to give the impression of an attack but which clearly shows that there was no intent to throw the opponent. (False attack).

False attacks are defined as:

- *Tori* has no intention of throwing.
- *Tori* attacks without *Kumikata* or immediately releases the *Kumikata*.
- *Tori* makes a single attack or a number of repeated attacks with no breaking of *Uke's* balance.
- *Tori* puts a leg in between *Uke's* legs to block the possibility of an attack.

4. In a standing position, to continually hold the opponent's sleeve end(s) for a defensive purpose (Generally more than 5 seconds) or to grasp by "screwing up" the sleeve end(s).

5. In a standing position, to continually keep the opponent's fingers of one or both hands interlocked, in order to prevent action in the contest (Generally more than 5 seconds), or to take the wrist or the hands of the opponent only to avoid the grip or the attack on him should be penalized by *Shido*.
6. To intentionally disarrange his own *Judogi* or to untie or retie the belt or the trousers without the Referee's permission.
7. To pull the opponent down in order to start *Newaza* unless in accordance with Article 16.

Where one contestant pulls his opponent down into *Newaza* not in accordance with Article 16 and his opponent does not take advantage of this to continue into *Newaza*, the Referee shall announce *Mate* and give *Shido* to the contestant who has infringed Article 16 (*without returning to the starting position*).

8. To insert a finger or fingers inside the opponent's sleeve or bottom of his trousers.
9. In a standing position to take any grip other than a "normal" grip without attacking. (Generally more than 5 seconds).

"Normal" *Kumikata* is taking hold the right side of the opponent's *Judogi*, be it the sleeve, collar, chest area, top of the shoulder or back with the left hand and with the right hand the left side of the opponent's *Judogi* be it the sleeve, collar, chest area, top of the shoulder or back and always above the belt or vice versa.

If a contestant continues to take an abnormal *Kumikata*, the time allowed may be progressively reduced, and even to a "direct penalty" of *Shido*.

As long as a contestant makes a cross grip, that means with two hands, one hand on the opposite side of the back, shoulder or arm of the other contestant, he should attack immediately or the Referee must penalize with *Shido*. Under no circumstances it is permitted to grab below the belt.

Cross gripping should be followed by an immediate attack. Same rule as for belt gripping and one side gripping.

A contestant should not be penalised for holding with an abnormal grip if the situation has been brought about by his opponent ducking his head beneath the holder's arm. However, if a contestant is continually "ducking" this way, the Referee should give consideration as to whether he is adopting an "excessively defensive posture" (2).

Hooking one leg between the opponent's legs unless simultaneously attempting a throwing technique is not considered to be the normal *Kumikata* and the contestant must attack within 5 seconds or the contestant will be penalised with "*Shido*".

10. In a standing position, before or after *Kumikata* has been established, not to make any attacking moves. (See Appendix Non-combativity).

"Non-combativity" may be taken to exist when in general, for approximately 25 seconds; there have been no attacking actions on the part of one or both contestants.

Non-combativity should not be awarded when there are no attacking actions, if the Referee considers that the contestant is genuinely looking for the opportunity to attack.

The Referees should penalize strictly the contestant who does not engage in a quick *Kumikata* or who tries not to be gripped by the opponent.

11. To hold the opponent's sleeve end(s) between the thumb and the fingers ("Pistol" grip).

12. To hold the opponent's sleeve end(s) by folding it over ("Pocket" grip).

'Pistol' and 'Pocket Grip' on the bottom of the sleeve without immediate attack is penalized by *Shido*.

13. To hug the opponent for a throw (Bear hug). However it is not a *Shido* when a contestant, *Tori* or *Uke* has *Kumikata* with a minimum of one hand, either *Tori* or *Uke* has the possibility to hug the opponent for a throw (Bear hug). No *Shido*.

14. To encircle the end of the belt or jacket around any part of the opponent's body.

The act of "encircling" means that the belt or jacket must completely encircle. Using the belt or jacket as an "anchor" for a grip (without encircling), e.g. to trap the opponent's arm, should not be penalised.

15. To take the *Judogi* in the mouth (either his own or his opponent's *Judogi*).

16. To put a hand, arm, foot or leg directly on the opponent's face.

The face means the area within the line bordered by the forehead, the front of the ears and the jaw-line.

17. To put a foot or a leg in the opponent's belt, collar or lapel.

18. To apply *Shime-waza* using either your own or your opponents belt or bottom of the jacket, or using only the fingers.

This will be strictly observed for *Shime-waza* is not allowed with either your own or your opponents belt or bottom of the jacket, or using only the fingers.

19. To go outside the contest area or intentionally force the opponent to go outside the contest area either in standing position or in *Newaza* (See Article 9 - "Exceptions").

- If a contestant puts one foot outside of the contest area without immediate attack or not returning immediately inside the contest area is penalized by *Shido*. Two feet outside the contest area is penalized by *Shido*.
- If the contestant is pushed outside the contest area by his opponent, then the opponent will receive a *Shido*.
(If the contestants leave the contest area, they are not penalized by *Shido* when the attack is engaged in a valid position)

20. To apply leg scissors to the opponent's trunk (*Dojime*), neck or head (Scissor with crossed feet, while stretching out the legs).

21. To kick with the knee or foot, the hand or arm of the opponent, in order to make him release his grip or to kick the opponent's leg or ankle without applying any technique

22. To bend back the opponent's finger(s) in order to break his grip.

23. Breaking the grip of the opponent with 2 hands.

24. Cover the edge of the *Judogi* jacket to prevent the grip.

25. To force the opponent with either one or both arms to take a bending position without immediate attack will be penalized by *Shido* for a blocking attitude.

HANSOKU-MAKE (Grave Infringements Group)

(b) Hansoku-make is given to any contestant who has committed a Grave Infringement (or who having been given three (3) *Shidos*, commits a further Slight Infringement):

1. To apply *Kawazu-gake*. (To throw the opponent by winding one leg around the opponent's leg, while facing more or less in the same direction as the opponent and falling backwards onto him).

Even if the thrower twists/turns during the throwing action, this should still be considered "*Kawazu-gake*" and be penalised.

Techniques such as *Osoto-gari*, *Ouchi-gari*, and *Uchi-mata* where the foot/leg is entwined with opponent's leg will be permitted and should be scored.

2. To apply *Kansetsu-waza* anywhere other than to the elbow joint.

Kansetsu-waza is authorized for Cadets.

3. To lift off the *Tatami* the opponent who is lying on the *Tatami* and to drive him back onto the *Tatami*.
4. To reap the opponents supporting leg from the inside when the opponent is applying a technique such as *Harai-goshi* etc.
5. To disregard the Referee's instructions.
6. To make unnecessary calls, remarks or gestures derogatory to the opponent or Referee during the contest.
7. To make any action which may endanger or injure the opponent especially the opponent's neck or spinal vertebrae, or may be against the spirit of Judo.
8. To fall directly to the *Tatami* while applying or attempting to apply techniques such as *Ude-hishigi-waki-gatame*.

To attempt such throws as *Harai-goshi*, *Uchi-mata*, etc., with only one hand gripping the opponent's lapel from a position resembling *Ude-hishigi-waki-gatame* (in which the wrist of the opponent is trapped beneath the thrower's armpit) and deliberately falling, face down, onto the *Tatami* is likely to cause injury and will be penalised.

No intent to throw an opponent cleanly onto his back is a dangerous action and will be treated in the same way as *Ude-hishigi-waki-gatame*.

9. To "dive" head first, onto the *Tatami* by bending forward and downward while performing or attempting to perform techniques such as *Uchi-mata*, *Harai-goshi*, etc. or to fall directly backwards while performing or attempting to perform techniques such as *Kata-Guruma* whether standing or kneeling.
10. To intentionally fall backwards when the other contestant is clinging to his back and when either contestant has control of the other's movement.
11. To wear a hard or metallic object (covered or not).
12. All attacks or blocking with one or two hands or with one or two arms below the belt in *Tachi-Waza* will be penalized by *Hansoku-make*. It is possible to grip the leg only when the two opponents are in a clear *Newaza* position and the *Tachi-Waza* action has stopped.

13. Any action against the spirit of Judo may be punished by a direct *Hansoku-make* at any time in the contest.

When a contestant has repeated slight infringements and is to be penalised with his fourth (4th) *Shido* the Referee, after consultation with the other Referees, shall give the contestant "*Hansoku-make*", that is to say that the 4th *Shido* is not announced as "*Shido*", but shall be announced directly as "*Hansoku-make*". The contest ends according to the Article 19 (c).

APPENDIX Article 27 - Prohibited Acts and Penalties

Referees are authorised to award penalties according to the "intent" or situation and in the best interest of the sport.

Should the central Referee decide to penalise the contestant(s), (except in the case of *Sono-mama* in *Newaza*) he shall temporarily stop the contest by announcing *Mate*, return the contestants to their starting positions and announce the penalty while pointing to the contestant(s) who committed the prohibited act.

Before awarding *Hansoku-make*, the Referee must consult with the other Referees and make his decision in accordance with the "majority of three" rule. Where both contestants infringe the rules at the same time, each should be awarded a penalty according to the seriousness of the infringement.

Where both contestants have been given three (3) *Shidos* and subsequently each receives a further penalty, they should both be declared *Hansoku-make*.

A penalty in *Newaza* should be applied in the same manner as in *Osaekomi* (Article 26 Appendix, the 2nd and 3 paragraphs).

BJA Commentary

In BJA Level 1 to 3 competitions (Development), *Shido* will be awarded for all offences below the belt, up to *Hansoku-make* if necessary.

In BJA Level 4 and 5 competitions (Performance), *Hansoku-make* will be awarded for the first offence below the belt.

In BJA Competitions, the Referee and table Referees should all be in agreement before awarding *Hansoku-make*. If any contestant receives a direct *Hansoku-make*, he/she will normally be disqualified from that contest only.

Notwithstanding the above, if all three officials agree that an action which was penalised by direct *Hansoku-make* was "against the spirit of judo" then they may recommend to the Competition Controller that the offending player should not be allowed to continue in the competition.

In all instances, the final decision to disqualify any player from the remainder of the competition will be made by the Competition Controller on recommendation from the Referee and table Referees involved, and/or the Referee in Charge. The Referee and table Referees, having made a unanimous decision to recommend disqualification from the competition, will inform the table officials who will advise the Competition Controller of this recommendation.

ARTICLE 28 - Default and Withdrawal

The decision of *Fusen-gachi* shall be given to any contestant whose opponent does not appear for his contest. A contestant, who is not at his starting position after three (3) calls at one (1) minute intervals, will forfeit the contest.

Punctuality for contests ('30 seconds rule'). - Applies to all IJF events.

Forfeit of a contest: If one contestant is ready on time and the Referee Commission see that his opponent is not present they will ask the speaker to announce '**the last call for missing athlete**' (there will no longer be three calls at one minute intervals).

The Referee will then invite the prepared contestant to wait at the edge of the competition area. The scoreboard will start to count down **30 seconds**. If at the end of 30 seconds the opponent is still not present the mat Referee will invite the athlete to enter the competition area and will be declared the winner by *Fusen-gachi*.

The athlete forfeiting a match may participate in the repechage provided the IJF jury find that certain criteria are fulfilled.

The Referees must be sure before awarding *Fusen-gachi* that they have received the authority to do so by the Refereeing Commission.

The decision of *Kiken-gachi* shall be given to any contestant whose opponent withdraws from the competition for any reason, during the contest.

APPENDIX Article 28 - Default and Withdrawal

Soft contact lens: - In the event that a contestant loses his contact lens during the contest and cannot immediately recover them, and if he then informs the Referee that he cannot continue competing without the contact lens, the Referee shall give the victory to his opponent by *Kiken-gachi* after consulting with the table Referees.

BJA Commentary

With the exception the British Senior and Junior Trials (Closed), the time allowed to get to the start position will be after three (3) calls at one (1) minute intervals.

ARTICLE 29 - Injury, Illness or Accident

The decision of the contest where one contestant is unable to continue because of injury, illness or accident during the contest shall be given by the Referee after consultation with the other Referees according to the following clauses:

a) Injury

- 1) Where the cause of the injury is attributed to the injured contestant he shall lose the contest.
- 2) Where the cause of the injury is attributed to the uninjured contestant the uninjured contestant shall lose the contest.
- 3) Where it is impossible to determine which of the contestants was the cause of the injury, the contestant unable to continue shall lose the contest.

b) Sickness

Generally, where one contestant is taken sick during a contest and is unable to continue, he shall lose the contest.

c) Accident

Where an accident occurs which is due to an outside influence (force majeure), after consulting with the Referee Commission, the contest shall be considered cancelled or postponed. In those cases of 'force majeure', the Sports Director, the Sports Commission and/or the IJF Jury will take the final decision.

Medical Examinations

- a) The Referee shall call the Doctor to attend to a contestant who has received a severe impact to the head or back (spinal column), or whenever the Referee has reason to believe there may be a grave or serious injury. In either case, the Doctor will examine the contestant in the shortest time possible and indicate to the Referee whether the contestant can continue or not.
- b) If the Doctor, after examining an injured contestant, advises the Referees that the contestant cannot continue the contest the Referee, after consultation with the other Referees, shall end the contest and declare the opponent to be the winner by *Kiken-gachi*.
- c) The contestant may ask the Referee to call for the doctor, but in this case the contest is terminated, and his opponent shall win by *Kiken-gachi*.
- d) The Doctor may also ask to attend to his contestant, but in this case the contest is terminated, and the opponent will win by *Kiken-gachi*.

In any case whenever the Referees are of the opinion that the contest should not continue, the central Referee shall end the contest and indicate the result in accordance with the rules.

BLEEDING INJURIES

When a bleeding injury occurs, the Referee shall call the Doctor to assist the contestant in stopping and isolating the bleeding.

In cases of bleeding, for health reasons, the Referee shall call for the Doctor; it is not allowed to compete while bleeding.

However, the same bleeding injury may be treated by the Doctor on two (2) occasions. The third (3rd) time that the same bleeding injury occurs, the Referee, after previous consultation with the other Referees, shall end the contest for the contestant's own safety and he shall declare the opponent to be the winner by *Kiken-gachi*.

In any case where the bleeding cannot be contained and isolated, the opponent shall be the winner by *Kiken-gachi*.

Minor Injuries. -

A minor injury may be treated by the contestant himself.

For example in the case of a dislocated finger, the Referee shall stop the contest (by calling *Mate* or *Sono-mama*) and allow the contestant to reset the dislocated finger. This action should be done immediately with no assistance from the Referee or the Doctor and the contestant can continue in the contest.

The contestant will be allowed to reset the same finger on two (2) occasions. If the same dislocation occurs a third (3rd) time, the contestant shall not be considered to be in condition to continue in the contest. The Referee, after previous consultation with the table Referees, shall end the contest and declare the opponent to be the winner by *Kiken-gachi*.

BJA Commentary

In BJA Level 1 to 3 Competitions, the contestant will not automatically lose the contest by *Kiken-Gachi* when asking for medical intervention.

However, if the medical attendant recommends that the injured player should not continue, the Referee and Table Referees (Judges) may declare the injured player the loser by *Kiken-Gachi* on a majority of three decision.

APPENDIX Article 29 - Injury, Illness or Accident

If during the contest a contestant is injured due to an action by the opponent and the injured contestant cannot continue, the Referees should analyse the case and make a decision based on the rules. Each case shall be decided on its own merit.

(See paragraph: **a) Injury** 1, 2 and 3).

Generally only one (1) Doctor for each contestant is allowed on the competition area. Should a Doctor require an assistant(s), the Referee must first be informed.

The coach is never allowed on the competition area.

The Referee shall draw near to the injured contestant to ensure that the assistance provided by the Doctor is within the Rules.

However the Referee may consult with the other Referees in case he needs to comment on any decision.

Medical Assistance. -**a) In a minor injury. -**

In the case of a broken nail, the Doctor is allowed to assist in cutting the nail.

The Doctor may also help in adjusting a Scrotum injury (testicles).

b) In a bleeding injury. -

For safety measures whenever there is blood it must always be completely isolated with the assistance of the Doctor by means of adhesive tape, bandages, nasal tampons, (the use blood clotters and haemostatics products is permitted).

When the Doctor is called to assist a contestant, such medical assistance should be given as quickly as possible.

Note: With the exception of the above situations, if the Doctor applies any treatment the opponent shall win by *Kiken-gachi*.

Types of Vomiting. -

Any type of vomiting by a contestant shall result in *Kiken-gachi* for the other contestant (See paragraph: **b) Sickness**).

In the case where a contestant through a deliberate action causes an injury to the opponent, the penalty given to the contestant inflicting the injury on the opponent shall be a direct *Hansoku-make*, apart from any other disciplinary action which may be taken by the Sports Director, the Sports Commission and/or the IJF Jury.

When a Doctor clearly realises - especially in the case of *Shime-waza* - that there is a serious danger to the health of one of the contestant that he is responsible for, he can go to the edge of the competition area and call upon the Referees to immediately stop the contest. The Referees shall take all necessary steps to assist the Doctor. Such an intervention will necessarily mean the loss of the contest for his contestant and should therefore only be taken in extreme cases.

If a Cadet loses consciousness during *Shime-waza* they are no longer able to continue in the competition.

At the IJF Championships, the official team Doctor shall have a medical degree and must register prior to the competition. He shall be the only person allowed to sit in the designated area and must be so identified e.g. by wearing a Red Cross arm-band or waistcoat.

When accrediting a Doctor for their team, the National Federations must take the responsibility for the actions of their Doctors.

The Doctors must be aware of any amendments and the interpretations of the Rules.

ARTICLE 30 - Situations not Covered by the Rules

Where any situation arises which is not covered by these rules, it shall be dealt with and a decision given by the Referees after consultation with the Refereeing Commission.

BJA ADDITIONAL COMMENTS

BJA Competition Pathway

LEVELS ONE TO THREE – DEVELOPMENT/RECREATIONAL

All Level 1 competitions must use the BJA Technical Restrictions

All Level 1 to 3 competitions with sections / weight categories that cater specifically for younger pre-cadet players (under 12 years of age) must use the BJA Technical Restrictions for that element of the competition.

Shime-Waza (strangles) or Kansetsu-Waza (arm locks):

- > Weight categories which could include players in any pre-cadet age group (or under 14 years on the day of the event), cannot allow either Shime-Waza (strangles) or Kansetsu-Waza (arm locks)
- > Categories solely for cadets, juniors or seniors should allow Shime-Waza (strangles) or Kansetsu-Waza (arm locks)

Penalties:

- > Modified IJF rules to be used, including Shido for offences below the belt.

CARE System and Table Referees (Judges):

- > Use of the CARE system is desirable but not essential.
- > When the CARE system is used Table Referees (Judges) must be positioned at the edge of the competition area.
- > Judges at all levels of competition (when used) will be positioned off the competition area facing the referee, whether the care system is in use or not.

Matside Coaching:

- > Matside coaching is allowed throughout the duration of the contest.

Medical:

- > Medical attention will not automatically result in Kiken-Gachi.

LEVELS FOUR AND FIVE – PERFORMANCE/ELITE

For the purpose of preparing players for International events, full IJF or EJU rules will apply. Some events of this level will be bound by contract with the IJF or EJU.

BJA Technical Restrictions

The technical restrictions prohibit the performing of the following actions during contests:

1. No throwing techniques are allowed with the arm around Uke's neck similar to Kubi-Nage.

It is forbidden to apply any form of hip throw with the arm of tori (inside of elbow joint) around the back of Uke's neck and throwing Uke without the separation of tori's arm and Uke's neck before impact on the tatami.

2. No drop-knee techniques

It is forbidden to apply any forward throwing technique by tori dropping with both knees simultaneously to the ground before Uke has landed on the tatami.

3. No techniques similar to Tomoe-Nage or Sumi-Gaeshi.

It is forbidden to apply Tomoe-Nage or Sumi-Gaeshi techniques; this also means techniques which are similar where the body of tori impacts with the tatami before that of Uke whilst Uke is being thrown with variations of Tomoe-Nage or Sumi-Gaeshi.

Note: Contestants who do not adhere to these rules will be penalised with shido. Given that shido now has no cross over into scores unless the same contestant incurs four, this will not negatively impact the contest results.

Shin pads

Shin pads are allowed providing they do not constitute hard objects (Article 27 Paragraph 33). They must be of soft padding and not contain hard stiffeners. They may incorporate an underfoot band but the band must be in good condition and, in the referee's opinion, sufficiently wide enough not to constitute a danger to either player's fingers or toes.

The shin pad must not incorporate an instep pad (which covers the top of the foot) as this pad would give an advantage to a "kicker" who should be using the sole of the foot. If a player is wearing pads which are deemed unsuitable or unsafe, the Referee should ask the player to remove them at the beginning of the contest (incurring no penalty).

Continuation in the Event of Unconsciousness

The Board of Directors recommends that the following be implemented by competition officials.

Players under 16 years of Age

In the event of a player becoming unconscious for any reason – no further competition that day. No further competition for the following four (4) weeks unless specifically cleared by a medical certificate.

Players 16 years of Age and over.

In the event of a player becoming unconscious for any reason other than as a result of a Shime-Waza (Strangulation technique) - no further competition that day.

In the event of a player becoming unconscious as a result of a Shime-Waza (Strangulation technique) - no further competition that day unless checked and cleared by a competent medical person who is conversant with judo strangles and their effects.

Leggings

Leggings must either not be worn, or not be visible below the bottom of the trousers.

Gum Shields

Gum shields may be worn providing that, in the opinion of the referee, the shield does not pose a risk of injury to either the player wearing the shield or their opponent.

The player wearing the shield is totally responsible for their own safety and where they consider necessary have received professional advice beforehand to establish that this is indeed the case.

Where the player is 18 years of age or over, the referee will accept the player's advice on this matter, otherwise this advice will be taken from their parent or guardian or coach on the day.

The referee reserves the right to refuse the player the right to compete if they deem the shield to be inappropriate in any way.
