In the following way: Coaches in the official mat side position can only advise the athlete during the mate-hajime period and NOT while the contest is in progress. Should any mat side coach not adhere to this guideline they will firstly be reminded of this rule by the referee and on receiving the second reminder in the same contest will need to remove themselves to the general public area for the rest of the event on that day. Other personnel who insist on shouting coaching points will also need to remove themselves to the general public seating area.
