

Proactive Reporting Covid-19 Checker

The Proactive Digital Covid-19 Symptom Checker provides a simple, digital application to enable team managers and coaches a quick and easy platform to manage their player's self-assessment prior to every training session/match.

Coaches have access to a group dashboard showing completed checks as well as notifications in the event that a participant is recorded as showing symptoms or restricted from participation.

Proactive Reporting Covid-19 Checker How to sign up for use:

Single Checker Licence

Ideal for single teams / small clubs

What's included:

- 1 unique checker link for use by all participants
- Add as many team admins as you like
- One group dashboard where all reports come in
- Receive notifications for participants advised not to attend

ONE OFF FEE FOR USE FOR 12 MONTHS JUST £3 + VAT

Sign up using the link below:

<u>https://app.proactivereporting.com/group-</u> <u>signup/pqGhuwBtK6YXP9jQ</u>

Multi Checker Licence

Ideal for club-wide use multiple groups

What's included:

- Add as many groups as needed each with their own unique checker
- Add as many group admins as you like
- Assign admins to individual groups
- View single dashboards for each group
- Access to a "Club" dashboard for senior staff including overview of all incoming reports
- UNLIMITED USE ACROSS ALL YOUR GROUPS

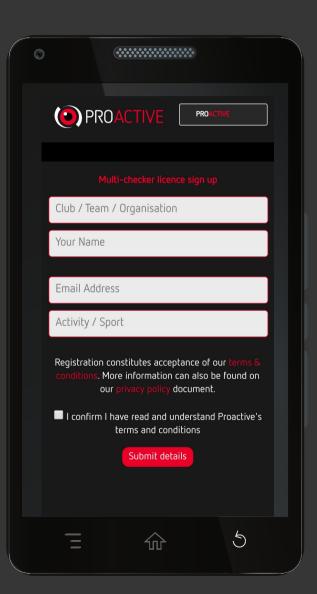

ONE OFF FEE FOR USE FOR 12 MONTHS Just £20 + VAT

Sign up using the link below:

https://proactivereporting.com

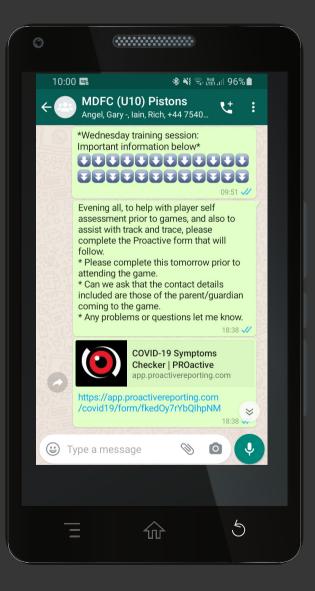

- Complete easy sign up process using links provided
- You receive your login details by email as well as a basic guide for use
- Once on the system add more coaches if required / allocate them to groups if you have multiple groups available.

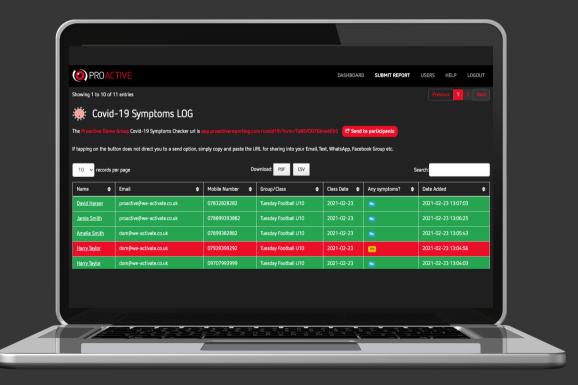

- Find the checker link and send out to participants - easily identified by the "Send to participants" button on the dashboard or "Share This" on the report page. Send by email, WhatsApp, Text, Facebook Group etc.
- Participants complete the report and submit it to the club

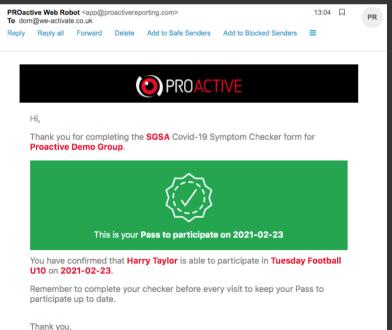

Participants complete the report and submit it to the club

Dashboard displays reports coming in

Participant receives email to confirm whether they should attend training or not
