

Technical Officials Course

Sunday 23rd June 2024

Samurai Judo Club, Zortech Avenue, Kidderminster DY11 7DY

Being a technical official can be of great benefit to your club – and you get one of the best seats at a competition from which to watch the judo!

Requirements to sit exam

Level	Minimum Age	Minimum Judo Grade	BJA membership
Contest Recorder (CR)	13 Years	None required	None required
Senior Recorder (SR)	18 Years	None required	Recreational (or full) licence

Other Requirements

Candidates should have done at least 4 events since their last qualification.

Candidates for CR do not need to have previously gained Timekeeper award, but if not should have a good understanding of judo terms and should preferably (but not essentially) have had some experience of working on a table at an event (which could include a dan grading).

Notes

There will be 2 courses running simultaneously, 1 for CR and 1 for SR. Candidates can only sit one course and exam.

It is possible (and preferable) to qualify as Timekeeper (TK) “on the job” prior to the day and then go for CR.

Those wishing to take the courses **MUST** register in advance.

Bring a notebook and Pen (no judogi required). Anybody may sit the CR course, parents and non-players are welcome. Examinees for senior recorder must hold a current BJA membership to take the assessment at the end of the course (membership not required for CR). There is no grade requirement for the qualifications; indeed, you don't need to have done judo at all to become a Technical Official, although familiarity with referees' words and signals will help.

Course Fee: FREE.

Start Time 9:30 for 9:45am
